LEJMN Ltd

Notes to the abridged financial statements
Financial year ended 30th April 2025

1. **General information**

The company is a private company limited by shares, registered in Ireland and is a dormant company since incorporation. The address of the registered office is 4 Newenham Terrace,, Infirmary Road,, Cork.. and it's company registration number is 695530.

2. **Accounting policies**

The significant accounting policies adopted by the company and applied consistently are as follows:

Basis of preparation

The financial statements are prepared on the going concern basis, under the historical cost convention, and comply with the financial reporting standards of the Financial Reporting Council including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" as adapted by Section 1A of FRS 102 and the Companies Act 2014.

The financial statements are prepared in Euro, which is the functional currency of the entity.

Currency

(i) Functional and presentation currency

Items included in the company's financial statements are measured using the currency of the primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in euro, which is the company's functional and presentation currency and is denoted by the symbol (€).

Profit and loss account policy

The company is dormant as defined by section 365 of the Companies Act 2014. The company received no income and incurred no expenditure during the current or previous financial year.

Taxation

The company has no liability to corporation tax as it did not trade during the current or previous financial year.

Trade and other debtors

Trade and other debtors including amounts owed from group companies are recognised initially at transaction price (including transaction costs) unless a financing arrangement exists in which case they are measured at the present value of future receipts discounted at a market rate. Subsequently, these are measured at amortised cost less any provision for impairment. A provision for impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective discount rate. All movements in the level of the provision required are recognised in the profit and loss account.

Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Cash flow statement exemption

The company has availed of the exemption contained in Section 1A of FRS 102 and, as a result, has elected not to prepare a cash flow statement.
