## DIRECTOR'S RESPONSIBILITIES STATEMENT FOR THE PERIOD ENDED 30 NOVEMBER 2025

### GENERAL RESPONSIBILITIES

The director is responsible for preparing the Director's Report and the financial statements in accordance with applicable Irish law and regulations. The company was incorporated on 30 May 2022 and has remained dormant since.

Irish company law requires the director to prepare financial statements for each financial period. Under that law the directors have elected to prepare the financial statements in accordance with Irish Generally Accepted Accounting Practice ("Irish GAAP"). Under the company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial period end date and of the profit or loss of the company for the financial period and otherwise comply with Companies Act 2014.

In preparing these financial statements, the director is required to: -

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors' report comply with the Companies Act 2014 and enable the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### DIRECTOR'S DECLARATION ON UNAUDITED FINANCIAL STATEMENTS

In relation to the financial statements as set out on pages 2 to 4: -

- The director approves these financial statements and confirm that he is responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgments underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The director confirms that he has made available to all the company's accounting records and provided all the information necessary for the compilation of the financial statements.
- The director confirms that to the best of his knowledge and belief, the accounting records reflect all the transactions of the company for the period ended **30<sup>th</sup> November 2025**

## NOTES TO THE DORMANT BALANCE SHEET FOR THE PERIOD ENDED 30 NOVEMBER 2025

### 1. ACCOUNTING POLICIES

#### 1.1 Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention.

#### 1.2 Compliance with and departure from accounting standards

The financial statements are prepared in accordance with the applicable law and the accounting standards issued by the Accounting Standards Board and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland), which have been applied consistently (except as otherwise stated)

#### 1.3 Going Concern

The directors have prepared the financial statements on the going concern basis. This is considered appropriate as the company's shareholders and creditors will continue to provide financial support to the company for the foreseeable future. Should the company be unable to continue trading, adjustments would have to be made to reduce the value of assets to their recoverable amounts, to provide for any further liabilities which might arise.

#### 1.4 Turnover

Turnover represents amounts receivable of the company's principal activities

#### 1.5 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

#### 1.6 Foreign currencies

Monetary asset and liabilities denominated in foreign currencies are translated into euros at rates of exchange ruling at the balance sheet date.
