Directors Responsibilities Statement

The directors are responsible for preparing the directors report and the financial statements in accordance with applicable Irish law and regulations

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in UK and Republic of Ireland" issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the income and expenditure of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- * select suitable accounting policies and then apply them consistently;
- * make judgement and accounting estimates that are reasonable and prudent;
- * state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- * prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any times the assets, liabilities, financial position and income and expenditure of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Redeemed Christian Church of God (City of David) Ireland Company Limited by Guarantee (Licenced)

**Notes to the Financial Statements
Financial year ended 31 October 2025**

1. General Information

The Redeemed Christian Church of God Kingdom Connection Ireland Company Limited by Guarantee is primarily engaged in the provision of advance religion by operating Church services on weekly basis by preaching, teaching, and propagating the doctrine of Jusus Christ. The company is a private company limited by guarantee, registered in Ireland. The address of the registered office is Toughers Industrial Park, Naas, Co Kildare, Ireland. The company registration number is 419628.

Accounting Policies and Measurement Bases

Basis of preparation

The financial statements have been prepared on the going concern basis, under the historical cost convention, and comply with the financial reporting standards of the Financial Reporting Council including FRS 102 "The Financial Reporting Standard applicable in UK and Republic of Ireland" ("FRS 102") as adapted by Section 1A of FRS 102 and the Companies Act 2014.

The financial statements are prepared in Euro which is the functional currency of the company

Income

Income, principally donations from members, is recorded in the year received on a cash receipts basis.

Taxation

The company has obtained charitable status therefore is exempt in respect of filling Corporation tax returns, it being a company not carrying on a business for the purposes of making a profit.

Tangible Assests

Tangible fixed assests are recorded at historical cost or deemed cost, less accumulated depreciation and impairment losses. Cost includes prime cost, overheads and interest incurred in financing the construction of tangible fixed assets. Capitalisation of interest ceases when the asset is brought into use.

Notes to the Financial Statements (Continued)
Financial year ended 31 October 2025

Freehold premises are stated at cost less accumulated depreciation and accumulated impairment losses.

Equipment and fixtures are stated at cost less accumulated depreciation and accumulated impairment losses.

Depreciation

Depreciation is provided on tangible fixed assets as described below, so as to write off their cost less residual amounts over their estimated useful economic lives.

The estimated useful economic lives assigned to tangible fixed assets are as follows:

| | | |
|---------------------------------|-----|---------------|
| Freehold property | 2% | straight line |
| Fittings fixtures and equipment | 15% | straight line |
| Motor Vehicles | 15% | straight line |

The company's policy is to review the remaining useful economic lives and residual values of tangible fixed assets on an on-going basis and to adjust the depreciation charge to reflect the remaining estimated useful economic life and residual value.

Fully depreciated tangible fixed assets are retained in the cost of tangible fixed assets and related accumulated depreciation until they are removed from service. In case of disposals, assets and related depreciation are removed from the financial statements and the net amount, less proceeds from disposal, is charged or credited to the income and expenditure account.

Impairment

Assets not carried at fair value are also reviewed for impairment whenever events or charges in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

The recoverable amount is the higher of an assets's fair value less costs to sell and value in use. Value in use is defined as the present value of the future pre-tax and interest cash flows obtainable as a result of the asset's continued use. The pre-tax and interest cash flows are discounted using a pre-tax discount rate that represents the current market risk free rate and the risks inherent in the asset. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows (cash-generating units)

Notes to the Financial Statements (Continued)
Financial year ended 31 October 2025

if the recoverable amount of the asset (or asset's cash generating unit) is estimated to be lower than the carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognised in the profit and loss account, unless the asset has been revalued when the amount is recognised in other comprehensive income to the extent of any previously recognised revaluation. Thereafter any excess is recognised in profit or loss.

if an impairment loss is subsequently reverses, the carrying amount of the asset (or asset's cash generating unit) is increased to the revised estimate of its recoverable amount, but only to the extent that the revised carrying amount does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognised in prior periods. A reversal of an impairment loss is recognised in the income and expenditure account.

Trade and other debtors

Trade and other debtors including amounts owed from group companies are recognised initially at transaction price (including transaction costs) unless a financing arrangement exists in which case they are measured at the present value of future receipts discounted at a market rate. Subsequently, these are measured at amortised cost less any provision for impairment. A provision for impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. All movements in the level of the provision required are recognised in the profit and loss.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Balance Sheet bank overdrafts are shown within Creditors.

Creditors and accruals

Creditors and accruals are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

The Redeemed Christian Church of God (City of David) Ireland Company Limited by Guarantee (Licenced)

Notes to the Financial Statements (Continued)
Financial year ended 31 October 2025

2 Limited by guarantee

The company is limited by guarantee not having a share capital. The liability of the members is limited. Under the terms of the company's constitution, every member of the company undertakes to contribute to the assets of the company in the event of its being wound up while he/she is a members or within one year after he/she ceases to be a member, for the payment of the debts and liabilities of the company contracted before he/she ceases to be members , and costs, charges and expenses of winding up and for the adjustment of the rights of the contributors among themselves such amount as may be required, not exceeding €1.

3 Staff costs
