## Statement of directors' responsibilities and declaration on unaudited financial statements

### General Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and Generally Accepted Accounting Practice in Ireland, including the accounting standards issued by the Accounting Standards Board.

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of the affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgement and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business

The directors are responsible for keeping proper books of account that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the requirements of section 281 to 285 of the Companies Act 2014. They are responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included in the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Directors' declaration on unaudited financial statements

In relation to the financial statements as set out on pages 4 to 9

- (a) The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making on a reasonable and prudent basis the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- (b) The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the period ended 31st July 2025.

On behalf of the board:

Stephen Geoghegan  
Director

## **Geoghegan Publicans Limited**

### **Report to the directors on the preparation of the unaudited statutory financial statements of Geoghegan Publicans Limited for the period ended 31st July 2025**

As described on the Balance Sheet, the Board of Directors of Geoghegan Publicans Limited are responsible for the preparation of the financial statements for the period ended 31st July 2025, which comprise the profit and loss account, balance sheet, and related notes.

You consider that the company is exempt from an audit under the Companies Act 2014.

In accordance with your instructions we have compiled these unaudited financial statements in order to assist you to fulfil your statutory responsibilities, from the accounting records and from the information and explanations supplied to us.

EVERYDAY ACCOUNTANCY SERVICES LIMITED  
Unit 8 Liosban Business Centre Galway and  
13 Adelaide Road Dublin 2,

Date:

**Geoghegan Publicans Limited**  
**Balance Sheet as at 31st July 2025**

	Notes	2025

We the directors of Geoghegan Publicans Limited state that:

- (a) The Company is availing itself of the exemption provided for by chapter 15 of part 6 of the Companies Act 2014.
- (b) The Company is availing itself of the exemption on the grounds that section 358 of the Companies Act 2014 is complied with.
- (c) No notice under subsection 1 of section 334 has in accordance with subsection 2 been served on the Company
- (d) We acknowledge the obligation of the Company under the Companies Act 2014 to keep adequate accounting records and prepare financial statements which give a true and fair view of the Assets, Liabilities, and Financial Position of the Company at the end of its financial period and of its profit or loss for such a period and to otherwise comply with the provisions of the companies act 2014 relating to financial statements so far as they are applicable to the Company.

We as directors of Geoghegan Publicans Limited state that we have relied on the specific exemption contained in section 352 of the Companies Act 2014 on the grounds that the company is entitled to the benefit of that exemption as a micro company and confirm that the abridged financial statements have been prepared in accordance with section 353 of the Companies Act 2014.

Signed on behalf of the board

Stephen Geoghegan  
 Director

Date

## TANGIBLE ASSETS

Tangible Assets are initially measured at cost and are subsequently measured at cost less any accumulated depreciation and accumulated impairment losses.

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value over the useful economic life of that asset as follows:

Land and Buildings	Straight line over 40 periods
Office Equipment	20% Straight Line
Fixtures and Fittings	20% Straight Line
Computer Equipment	33% Straight Line

## IMPAIRMENT

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

## STOCKS

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion, and other costs incurred in bringing the stocks to their present location and condition.

## FINANCIAL INSTRUMENTS

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument.

Financial instruments are initially recognised at cost, which is the transaction price.

Investment in shares, subsidiaries or participating interests, are subsequently measured at cost less impairment.

Derivatives are subsequently measured at the cost plus any transaction costs not immediately recognised in profit or loss less any impairment losses recognised to date. This is allocated to profit or loss over the term of the contract on a straight line basis, unless another systematic basis of allocation is more appropriate.

Other Financial instruments are subsequently measured at the cost plus any transaction costs not immediately recognised in profit or loss, plus accumulated interest income or expenses recognised to date less all repayments or principal or interest to date less impairment

Financial assets are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, any impairment loss is recognised in profit or loss immediately. Any reversals of impairment are recognised in profit or loss immediately.

## PROVISION FOR LIABILITIES

Provisions are recognised when the entity has an obligation at the reporting date as a result of a past event. It is probable that the entity will be required to transfer economic benefit in settlement and the amount of the obligation can be estimated reliably. Provisions are recognised as a liability in the Balance Sheet and the amount of the provision as an expense.

Provisions are initially measured at the best estimate of the amount required to settle the obligation at the reporting date and subsequently reviewed at each reporting date and adjusted to reflect the current best estimate of the amount that would be required to settle the obligation. Any adjustments to the amounts previously recognised are recognised in profit or loss unless the provision was originally recognised as part of the cost of an asset. When a provision is measured at the present value of the amount expected to be required to settle the obligation, the unwinding of the discount is recognised in finance costs in profit or loss in the period it arises.

#### DEFINED CONTRIBUTION PENSION PLAN

Contributions to defined contribution plans are recognised as an expense in the period to which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refunds.

When contributions are not expected to be settled wholly within 12 months of the reporting date in which the employees render the related service, the liability is measured on a discount present value basis. The unwinding of the discount is recognised to finance costs in profit or loss in the period in which it arises
