Independent auditor's special report to the directors of Accelerated Payments Fund 4 DAC pursuant to section 356 of the Companies Act 2014

Opinion

In our opinion, the directors are entitled under section 352 of the Companies Act 2014 to annex abridged financial statements to the annual return of Accelerated Payments Fund 4 DAC ("the Company") and those abridged financial statements have been properly prepared pursuant to the provisions of section 353 of that Act (exemptions available to small companies).

Basis of opinion

We have examined:

- (i) the abridged financial statements for the financial year ended 30 June 2023 on pages 5 to 10 which the directors of Accelerated Payments Fund 4 DAC propose to annex to the Annual return of the Company; and
- (ii) the financial statements to be laid before the Annual general meeting which form the basis for those abridged financial statements.

The scope of our work for the purpose of this report was limited to confirming that the directors are entitled to annex abridged financial statements to the annual return and that those abridged financial statements have been properly prepared, pursuant to section 353 of the Companies Act 2014, from the financial statements to be laid before the Annual General Meeting.

Other information

On 05/02/26 we reported, as auditor of the Company, to the members on the financial statements for the financial year ended 30 June 2023, and the full text of our audit report is reproduced below.

Independent auditor's special report to the directors of Accelerated Payments Fund 4 DAC pursuant to section 356 of the Companies Act 2014

Opinion

We have audited the financial statements of Accelerated Payments Fund 4 DAC (the "Company") which comprise the Statement of comprehensive income, the Statement of financial position, the Statement of changes in equity for the financial year ended 30 June 2023, and the related notes to the financial statements, including a summary of significant accounting policies.

The financial reporting framework that has been applied in the preparation of the financial statements is Irish law and accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (Generally Accepted Accounting Practice in Ireland) (the "relevant accounting framework").

In our opinion, Accelerated Payments Fund 4 DAC's financial statements:

- give a true and fair view of the assets, liabilities and financial position of the Company as at 30 June 2023 and of its profit or loss for the financial year then ended;
- have been properly prepared in accordance with the relevant accounting framework; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are further described in the 'Auditor's responsibilities for the audit of the financial statements' section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and the ethical pronouncements established by Chartered Accountants Ireland, applied as determined to be appropriate in the circumstances for the entity. We have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from the date when the financial statements are authorised for issue.

Our responsibilities, and the responsibilities of the directors, with respect to going concern are described in the relevant sections of this report.

Independent auditor's special report to the directors of Accelerated Payments Fund 4 DAC pursuant to section 356 of the Companies Act 2014 (continued)

Other information

The directors are responsible for the other information. Other information comprises information included in the Annual Report, other than the financial statements and our auditor's report thereon, including the Directors' report. Our opinion on the financial statements does not cover the information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on the matters prescribed by the Companies Act 2014

We have obtained all the information and explanations which to the best of our knowledge and belief, we considered necessary for the purposes of our audit.

In our opinion:

- the accounting records of the Company were sufficient to permit the financial statements to be readily and properly audited.
- information and returns adequate for our audit have been received from branches not visited by us.
-

The Statement of financial position and the Statement of comprehensive income are in agreement with the accounting records and returns.

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the Directors' report for the financial year is consistent with the financial statements;
- the Directors' report has been prepared in accordance with applicable legal requirements, excluding the requirements on sustainability reporting in Part 28.

Based on our knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified any material misstatements in the Directors' report.

Matters on which we are required to report by exception

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of sections 305 to 312 of the Act, which relate to the disclosure of directors' remuneration and transactions with directors have not been complied with by the Company. We have nothing to report in this regard.

Independent auditor's special report to the directors of Accelerated Payments Fund 4 DAC pursuant to section 356 of the Companies Act 2014 (continued)

Responsibilities of management and those charged with governance for the financial statements

As explained more fully in the directors' responsibilities statement, management is responsible for the preparation of the financial statements which give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland, including FRS102, and for such internal control as they determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process and for the preparation of financial statements that give a true and fair view.

Auditor's responsibilities for the audit of the financial statements

The objectives of an auditor are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Irish Auditing and Accounting Supervisory Authority's website at: http://www.iaasa.ie/getmedia/b2389013-1cf6-458b-9b8f-a98202dc9c3a/Description_of_auditors_responsibilities_for_audit.pdf. This description forms part of our auditor's report.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 6 to 10 form part of these financial statements.

Notes to the abridged financial statements

For the financial year ended 30 June 2023

1. General information

Accelerated Payments Fund 4 DAC ("the Company") is a designated activity company limited by shares, incorporated in the Republic of Ireland on 29 May 2019 under the number 650901 and with a registered address at 39 Northumberland Road, Ballsbridge, Dublin 4. The principal activity of the Company is that of invoice discounting services.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and Irish statute comprising of the Companies Act 2014.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the Company's accounting policies (see note 3).

The following principal accounting policies have been applied:

2.2 Going concern

The directors have decided subsequent to 30 June 2023 for the Company to cease carrying on its business, however the Directors have agreed that the Company will continue to be maintained as a dormant entity. The directors, having considered the above and made due inquiries, continue to adopt the going concern basis in preparing the financial statements based on the ongoing support of fellow group undertakings and shareholders.

2.3 Foreign currency translation

Functional and presentation currency

The Company's functional and presentational currency is Euros.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the spot exchange rates at the dates of the transactions.

At each period end foreign currency monetary items are translated using the closing rate. Non-monetary items measured at historical cost are translated using the exchange rate at the date of the transaction and non-monetary items measured at fair value are measured using the exchange rate when fair value was determined.

Foreign exchange gains and losses resulting from the settlement of transactions and from the translation at period-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in profit or loss except when deferred in other comprehensive income as qualifying cash flow hedges.

2.4 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Fees and commissions are recognised in the Statement of comprehensive income when they are earned. Interest is recognised using the effective interest method.

Notes to the abridged financial statements

For the financial year ended 30 June 2023

2. Accounting policies (continued)

2.4 Revenue (continued)

During the period the Company purchased €18,440,245 (2022: €76,189,980) of client invoices which attract interest and other fees. The fees and commission have been recognised as revenue in the financial statements as earned.

2.5 Taxation

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

2.6 Debtors

Short-term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method, less any impairment.

2.7 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.8 Creditors

Short-term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

3. Judgments in applying accounting policies and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgments that affect the reported amounts of assets and liabilities at the date of financial statements and the reported amount of income and expenses during the reporting period. Management evaluates its judgments on an ongoing basis. Management bases its judgments on historical experience on various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates under different assumption or conditions.

The Directors do not believe that there are any critical accounting judgments or key sources of estimation uncertainty that would significantly impact the results of the Company.
