STATEMENT OF DIRECTORS' RESPONSIBILITIES

Company law requires the Directors to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to material departures disclosed and explained in the financial statements;
- prepare the financial statements based on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors confirm that they have complied with the above requirements in preparing the financial statements.

The Directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Acts 2014. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

NOTES TO THE ABRIDGED FINANCIAL STATEMENTS AS AT 31 MARCH 2024

1 BASIS OF PREPARATION

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008).

The financial statements have been prepared on the going concern basis and in accordance with generally accepted accounting principles in Ireland and Irish statute comprising the Companies Act 2014. They comply with the financial reporting standards of the Financial Reporting Council, as promulgated by Chartered Accountants Ireland. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements

2 SIGNIFICANT ACCOUNTING POLICIES

The following accounting policies have been consistently applied in dealing with items which are considered material in relation to the Company's financial statements.

(a) Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is calculated on a straight line basis to write off the cost of the fixed assets over their estimated useful life. The principal annual depreciation rate used is as follows:

| | |
|---------------------------------|----------|
| Fixture, fittings and equipment | 8 years |
| Plant, Property and equipment | 25 years |

Gains and losses on disposals are determined by comparing proceeds with carrying amount and are included in profit/ (loss) from operations.

(b) Impairment of fixed assets

Fixed assets are subject to review for impairment. Any impairment is recognised in the profit and loss account in the period in which it occurs.

(c) Stocks

Stocks are stated at the lower of cost and net realisable value. Cost is determined on a first-in-first-out basis.

Net realisable value is the estimated selling price in the ordinary course of business, less the selling expenses.

(d) Revenue recognition

Sales are recognised upon delivery of products and customer acceptance, if any, net of value added taxes and discounts.
