Notes to the abridged financial statements (continued) Financial year ended 30th June 2025

Financial instruments

Ordinary Share Capital

The ordinary share capital of the company is presented as equity.

Cash and cash equivalents

Cash consists of cash on hand and demand deposits.

Other financial assets

Other financial assets, including trade debtors for goods sold to customers on short-term credit, are initially measured at the transaction price including transaction costs, and are subsequently measured at the transaction price plus transaction costs not yet recognised, cumulative interest income less repayments and impairment, where there is evidence of impairment.

Loans and borrowings

All loans made by the company are initially recorded at the amount loaned plus transaction costs. Subsequently, loans made by the company are stated at the transaction price plus transaction costs not yet recognised and cumulative interest income earned minus repayments and any reduction for impairment or uncollectability, where there is evidence of impairment.

All borrowings by the company are initially recorded at the amount borrowed less transaction costs. Subsequently, borrowings are stated at the transaction price minus transaction costs not yet recognised and repayments plus cumulative interest expenses incurred.

Loans and borrowings are classified as current assets or liabilities unless the borrower has an unconditional right to defer settlement of the liability for at least twelve months after the financial year end date.

Other financial liabilities

Other financial liabilities, including trade creditors, are initially measured at transaction price less transaction costs, and are subsequently measured at the transaction price less transaction costs not yet recognised in profit or loss and repayments plus cumulative interest expenses incurred.

Impairment of financial assets

At the end of each reporting period, the company assesses whether there is evidence of impairment of any financial assets, including investments, loans, trade debtors and cash. If there is evidence of impairment, impairment losses are recognised in the Profit and Loss account in that financial year.

Development under management

The common areas, which the company entered an agreement to manage, have not yet been transferred to the company and hence management responsibilities have not commenced and the company has no income or expenditure in the financial year.

4. Limited by guarantee

The company is one limited by guarantee not having a share capital. The liability of each member, in the event of the company being wound up is €1.
