NOTES TO THE FINANCIAL STATEMENTS FOR THE FINANCIAL PERIOD ENDED 31 DECEMBER 2024

1. GENERAL INFORMATION

Fine Franks Limited ('the company') is a limited liability company incorporated in the Republic of Ireland with registered number 631963. The address of its registered office is 83 Carlton Village, Golf Links Road, Youghal, Co Cork.

2. SIGNIFICANT ACCOUNTING POLICIES

BASIS OF PREPARATION

The financial statements have been prepared in accordance with the Companies Act 2014.

TRADE AND OTHER RECEIVABLES

Trade and other receivables are recognised and measured at transaction price less any impairment. They are subsequently recognised at amortised cost.

The Company's trade receivables do not contain a significant financing component, therefore the 'simplified approach' is used to calculate the expected credit losses. The resulting loss is not material and hence has no impact on the financial statements.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents includes cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts are shown within current liabilities in the statement of the financial position.

CREDITORS AND TRADE AND OTHER PAYABLES

Trade and other payables are measured at transaction price less discounts received.

FOREIGN CURRENCIES

The functional and presentation currency of the company is Euro. Transactions denominated in foreign currencies are translated into Euro using the foreign exchange rates prevailing on the dates of the transaction. Assets and liabilities denominated in foreign currencies are translated into Euro at the rates of exchange ruling at the statement of financial position date. Any resulting profits or losses are dealt with in the statement of comprehensive income.

TAXATION

Corporation tax is provided for on taxable profits at the current attributable rates. The Company takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes. The Company has adopted International Accounting Standard No. 12 "Income Taxes". Accordingly, deferred tax is recognised in respect of all timing differences that have originated but not reversed at the statement of financial position date. Deferred tax is not recognised on permanent differences. Deferred tax assets are recognised to the extent that they are regarded as recoverable. They are regarded as recoverable to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable profits from which the future reversal of the underlying timing differences can be deducted.
