Under company law, the Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year end and otherwise comply with the Companies Act 2014. In preparing these Financial Statements the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the Financial Statements

The Directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the Financial Statements and Directors Report comply with the Companies Act 2014 and enable the Financial Statements to be audited if required. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' Declaration on Unaudited Financial Statements

In relation to the Unaudited Financial Statements as set out in pages 2 to 8.

- The Directors approve these Unaudited Financial Statements and confirm that they are responsible for them, including selecting the appropriate policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The Directors confirm that they have made available to Myles C. Ronan & Associates, the company's accounting records and provided all the information necessary for the compilation of the Unaudited Financial Statements.
- The Directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31 July 2025.

SCHULL MARINE SERVICES LIMITED

Notes to the Abridged Unaudited Financial Statements for the year ended 31 July 2025

1. Accounting Policies

Schull Marine Services Limited did not trade during the year.

The Company is a Limited Liability Company incorporated in the Republic of Ireland and its Company Registration Number is 567290.

The significant accounting policies adopted by the Company and applied consistently in the preparation of these Financial Statements are as follows:

1.1 Basis of Preparation

The Financial Statements are prepared on the Going Concern basis, under the Historical Cost Convention and comply with the Financial Reporting Standards of the Financial Reporting Council, as promulgated by the Association of Chartered Certified Accountants including Section 1A of FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Companies Act 2014.

The Financial Statements are prepared in Euro which is the functional currency of the Company.

1.2 Tangible Fixed Assets and Depreciation

Cost

Equipment are recorded at historical cost or deemed cost, less accumulated depreciation.

Under UK GAAP, the Company previously did not adopt a policy of revaluing Tangible Fixed Assets. Tangible Fixed Assets were stated in the Balance Sheet at their original cost less any subsequent accumulated depreciation taking into account their estimated useful lives.

Under FRS102, the Company has elected to adopt a "deemed cost" value at the date of transition. This reflects the value of the Tangible Fixed Assets under the previous policy under UK GAAP at the date of transition (1 July, 2015). The Company will now hold the assets at the deemed cost and depreciate them over their useful economic lives.

Depreciation

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Equipment	- 12.5% per annum reducing balance basis
	- 12.5% Straight Line basis

2. Going Concern

The unaudited accounts have been prepared on a Going Concern basis. The Directors are satisfied that the Company has adequate cash resources for the foreseeable future.. The Directors have also indicated that they will not seek repayment of their advances until the company is in a financial position to do so.

3. Critical Accounting Judgements and Estimates

The preparation of these Financial Statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses.

Judgements and estimates are continually evaluated and are based on historical experiences and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. Management consider that there are no estimates and assumptions that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.
