Statement of directors responsibilities and declaration on unaudited financial statements

General responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and generally accepted accounting practice in Ireland including the accounting standards issued by the Financial Reporting Council and published by the Institute of Chartered Accountants in Ireland.

Irish Company law requires the directors to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statute comprising the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' declaration on unaudited financial statements

In relation to the financial statements as set out on pages 4 to 8 :

- The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- The directors confirm that they have made available to BREENS& CO, all the company's accounting records and provided all the information, books or documents necessary for the compilation of the financial statements.
- The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 30th June 2025.
