Statement of Directors' responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and Regulation.

Irish company law requires the directors to prepare statutory financial statements for each financial year. Under the law the Directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and accounting standards issued by the Financial Reporting Council. Under Company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of assets, liabilities and financial position of the company as at the financial year end date and the profit and loss of the company for the financial year and otherwise comply with the Companies Act 2014. which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to:

-select suitable accounting policies and then apply them consistently

-make judgements and accounting estimates that are reasonable and prudent

-state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and reasons for any material departure from those standards; and

-prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for ensuring the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, Liabilities, financial position and profit and loss of the company to be determined with reasonable accuracy and enable them to ensure the financial statements and Directors report comply with the Companies Act 2014. They are also responsible for the safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the abridged financial statements for the year ended 31st March 2025

1. Statement of accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

1.1. Basis of preparation

The unaudited financial statements have been prepared on the going concern basis and in accordance with historical cost convention. The Financial reporting framework that has been applied in their preparation is the Companies Act 2014 accounting standards issued by the financial reporting Council.

1.2. Cash flow statement

The company meets the size criteria for a small company set by the Companies Act 2014 and therefore, in accordance with FRS1 revised 1996), Cash flow statements, it has not prepared a cash flow statement.

1.3. Turnover Policy

Turnover represents the total invoice value, excluding value added tax, of sales made during the year.

1.4. Tangible fixed assets and depreciation

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost or valuation, less residual value, of each asset systematically over its expected useful life, as follows:

Land and buildings freehold-	not being depreciated
Plant and Machinery	- 12.5% reducing balance
Motor Vehicles	- 20% reducing balance

1.5. Taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the Balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more tax, with the following exceptions.

Deferred tax assets are recognised only to the extent that the directors consider that it is more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which the timing difference reverse, based on the rates and laws enacted or substantively enacted at the Balance sheet date.

1.6. Going concern

The Directors consider that in preparing the financial statements they have taken into account all information that could reasonably be expected to be available. On this basis they consider it is appropriate to prepare the financial statements on the going concern basis. The company meets its day to day working capital requirements. The directors have indicated that they will introduce additional private funds to support the company should that become necessary and will not seek repayment of their loans until the company can afford to pay
