I, as director of Marco Technologies Europe Limited, state that:

- The Company is availing itself of the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014,
- The Company is availing itself of the exemption on the grounds that the conditions specified in s.358 are satisfied,
- The shareholders of the Company have not served a notice on the Company under s.334(1) in accordance with s.334(2),
- I acknowledge the Company's obligations under the Companies Act 2014 and to keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the Company at the end of its financial period and of its profit or loss for such a period and to otherwise comply with the provisions of Companies Act 2014 relating to financial statements so far as they are applicable to the Company,
- The Company has relied on the specified exemption contained in s.352 Companies Act 2014 and has done so on the grounds that the Company is entitled to the benefit of that exemption as a small company and the abridged financial statements have been properly prepared in accordance with s.353 Companies Act 2014.

These financial statements have been prepared in accordance with the micro companies regime.

The financial statements of Marco Technologies Europe Limited (registered number: 766089) were approved and authorised for issue by the director on 22 January 2026 and were signed on its behalf by:

MARCO TECHNOLOGIES EUROPE LIMITED
NOTES TO THE ABRIDGED FINANCIAL STATEMENTS
for the financial period ended 31 May 2025

1. Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the financial period, unless otherwise stated.

General information and basis of accounting

Marco Technologies Europe Limited (registered number 766089) (the Company) is a private company, limited by shares, registered in Ireland under the Companies Act 2014. The address of the registered office is Ground Floor, 71 Lower Baggot Street, Dublin 2, Co. Dublin, D02 P593, Ireland.

The financial statements have been prepared under the historical cost convention and in accordance with FRS 105 'The Financial Reporting Standard applicable to the Micro-entities Regime'.

The functional currency of Marco Technologies Europe Limited is considered to be EUR because that is the currency of the primary economic environment in which the Company operates.

These financial statements are separate financial statements.

Going concern

The director has assessed the Balance Sheet and likely future cash flows at the date of approving these financial statements. The director notes that the business has net liabilities of €4,495. The Company is supported through loans from the director. The director has confirmed that the loan facilities will continue to be available for at least 12 months from the date of signing these financial statements and the director will continue to support the Company. Given the current position, the director believes that any foreseeable debts can be met for at least 12 months from the date of signing these financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Trade and other debtors

Trade and other debtors are initially recognised at transaction value and thereafter the receivables are stated at cost less impairment losses for bad and doubtful debts.

Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

Trade and other creditors

Trade and other creditors are initially recognised at transaction value.

Ordinary share capital

The ordinary share capital of the Company is presented as equity.
