**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2025**

1. General information

These financial statements comprising the Statement of financial position and the related notes constitute the abridged financial statements of M&M Provisions Limited for the year ended 31 August 2025.

M&M Provisions Limited is a private company limited by shares incorporated in the Republic of Ireland under company number 257910. The registered office is Archdeaconry, Kells, Co. Meath, which is also the principal place of business of the company.

The financial statements have been presented in Euro (€) which is the functional currency of the company.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Financial Reporting Standard 105 'The Financial Reporting Standard applicable to Micro-entities Regime' and Irish statute comprising of the Companies Act 2014.

The company qualifies as a micro company for the period, as defined by section 280D of the Act, in respect of the financial year and has applied the rules of the 'Micro Companies Regime' in accordance with section 280E of the Act and FRS 105.

The following principal accounting policies have been applied:

2.2 Going concern

The financial statements have been prepared on a going concern basis. The company meets its day to day working capital requirements through the continued financial support of the directors and from the sale of services.

Therefore, the Directors deem it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

2.3 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes. The following criteria must also be met before revenue is recognised:

Rendering of services

Revenue from a contract to provide services is recognised in the period in which the services are provided in accordance with the stage of completion of the contract when all of the following conditions are satisfied:

- the amount of revenue can be measured reliably;
- it is probable that the Company will receive the consideration due under the contract;
- the stage of completion of the contract at the end of the reporting period can be measured reliably; and
- the costs incurred and the costs to complete the contract can be measured reliably.

**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2025**

2. Accounting policies (continued)

2.4 Taxation

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.

2.5 Tangible fixed assets

Tangible fixed assets under the cost model are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following basis:

Freehold property	-	
Fixtures and fittings	-	12.5%
Other fixed assets	-	

The assets' residual values, useful lives and depreciation methods are reviewed, and adjusted prospectively if appropriate, or if there is an indication of a significant change since the last reporting date.

Gains and losses on disposals are determined by comparing the proceeds with the carrying amount and are recognised in profit or loss.

2.6 Debtors

Short-term debtors are measured at transaction price, less any impairment. Loans receivable are measured initially at transaction price, being the amount loaned plus any material arrangement or legal fees. Subsequent measurement takes account of any repayments of principal and accrued interest, and reductions for impairment or uncollectability.

2.7 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.8 Creditors

Creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers and are measured at the transaction price.
