The director during the financial year was Thomas Stritch

Thomas Stritch & Margaret Stritch retires from the board by rotation in accordance with the Constitution and, being eligible, offer themselves for re-election.

## **Stritch Engineering Ltd**

### **Statement of Directors' responsibilities and declaration on unaudited financial statements**

The directors are responsible for preparing the annual report and the financial statements in accordance with applicable law and Generally Accepted Accounting Practice in Ireland, including the Accounting Standards issued by the Financial Reporting Council.

Irish company law requires the directors to prepare statutory financial statements for each financial year. Under company law, the directors shall not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position, as at the end of the financial year, and profit or loss, for the financial year and otherwise comply with the Act. In preparing those financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
  
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy and enable them to ensure that the financial statements and directors report comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **Directors' declaration on unaudited financial statements**

In relation to the financial statements as set out on pages 4 to 8 :

- The directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have prepared on the going concern basis on the grounds that the company will continue in business.
  
- The directors confirm that they have made available to Halpin & Associates, , all the company's accounting records and provided all the information necessary for all the compilation of the financial statements.
  
- The directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ended 31st August 2025.

<b>Shareholders' funds</b>			23,912		(3,888)

We, as Directors, state that:

(a) the company is availing itself of the audit exemption (and the exemption shall be expressed to be "the exemption provided for by Chapter 15 of Part 6 of the Companies Act 2014"),

(b) the company is availing itself of the exemption on the grounds that section 358 or 359 is complied with,

(c) no notice under section (1) of section 334 has, in accordance with subsection (2) of that section, been served on the company, and

(d) the directors acknowledge the obligations of the company, under this Act, to

(i) keep adequate accounting records and prepare financial statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a year, and

(ii) otherwise comply with the provisions of this Act relating to financial statements so far as they are applicable to the company.

(e) The company has relied on the specified exemption contained in section 352 Companies Act 2014; the company has done so on the grounds that it is entitled to the benefit of that exemption as a small company and confirm that the financial statements have been properly prepared in accordance with section 353 Companies Act 2014

## Stritch Engineering Ltd

### Notes to the abridged financial statements for the period ended 31 August 2025

#### 1. Accounting policies

The significant accounting policies adopted by the Company are as follows:

##### 1.1. Basis of Preparation

The Statutory financial statements have been prepared under the historical cost convention, and comply with financial reporting standards of the Accounting Standards Board and comply with the accounting standards issued by the Financial Reporting Council, specifically Financial Reporting Standard 102 - 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102).

##### 1.2. Tangible fixed assets and depreciation

###### Tangible Fixed Assets

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses.

###### Depreciation

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost less residual value, of each asset systematically over its expected useful life, as follows:

Fixtures, fittings  
and equipment - 12.5% Straight Line

At each reporting date, non-financial assets not carried at fair value are assessed to determine whether there is an indication that the asset may be impaired. Where there is such an indication the recoverable amount is compared to the carrying amount of the asset. If the recoverable amount of an asset is less than the carrying amount the asset is reduced to its referable amount.

The recoverable amount of an asset (or cash generating unit) is the higher of its fair value less costs to sell and its value in use. Fair value less costs to sell is the amount obtainable for the sale of an asset in arm's length transaction between knowledgeable, willing parties, less costs of disposal. Value in use is the present value of future pre-tax and interest cash flows obtainable as a result of the continued use of the asset.

If the recoverable amount of an asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. An impairment loss is recognised in the profit and loss account.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised carrying amount and does not exceed the carrying amount that would have been determined (net of depreciation) had no impairment loss been recognised in prior periods. A reversal of an impairment loss is recognised in prior periods. A reversal of an impairment loss is recognised in the profit and loss account.
