**Statement of directors' responsibilities and
Declaration on abridged financial statements**

General responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and Generally Accepted Accounting Practice in Ireland, including the accounting standards issued by the Accounting Standards Board.

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgement and estimates that are reasonable and prudent
- prepare the financial statements in the going concern basis unless it is inappropriate to presume that the company will continue business

The director(s) are responsible for keeping proper books of account that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Acts 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

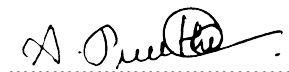

The director(s) are responsible for the maintenance and integrity of the corporate and financial information included in the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Directors' declaration on unaudited financial statements

In relation to the financial statements as set out on pages 4 to 6:

- (a) the director(s) approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgements underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- (b) the director(s) confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ending 28th November 2025.

Independent Accountants' Report to the Directors

We examined the financial statements of **ASK (SAKANA) INFORMATION TECHNOLOGY SOLUTIONS LIMITED** for the year ended 28th November 2025 which comprise the Income and Expenditure Account, the Balance Sheet, and the related notes. These financial statements have been prepared under the accounting policies set out therein and the requirements of the Financial Reporting Standard for Smaller Entities.

Respective responsibilities of Directors and Accountant (independent examiner)

As described in the Statement of Directors' Responsibilities the organisation's Directors' are responsible for the preparation of the financial statements in accordance with applicable law and generally accepted accounting practice in Ireland including the accounting standards issued by the Accounting Standards Board.

Our responsibility is to examine/audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

This report is made solely to the Directors and members, as a body. Audit work has been undertaken so that we might state to the Directors and members those matters we are required to state to them in an accountants'/auditors' report and for no other purpose.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Director(s) and members of **ASK (SAKANA) INFORMATION TECHNOLOGY SOLUTIONS LIMITED** as a body, for our accountancy/audit work, for this report, or for the opinions we have formed. We report to you our opinion as to whether the financial statements give a true and fair view in accordance with Generally Accepted Accounting Practice in Ireland. We also report to you whether in our opinion: proper books of account have been kept by the organisation; and whether the information given in the **Director(s)** Report is consistent with the financial statements.

In addition, we state whether we have obtained all the information and explanations necessary for the purposes of our audit and whether the financial statements are in agreement with the books of account.

We also report to you if, in our opinion, any information specified by law regarding **Director(s)** remuneration and **Director(s)** transactions is not disclosed and, where practicable, include such information in our report.

We read the **Director(s)** report and consider the implications for our report if we become aware of any apparent misstatements within it. Our responsibilities do not extend to any other information.

Basis of account/audit opinion

We examined the financial records in accordance with International Standards on Auditing (UK and Ireland), except that the scope of our work was limited as explained below.

It includes an assessment of the significant estimates and judgements made by the **Director(s)** in the preparation of the financial statements, and of whether the accounting policies are appropriate to the organisation's circumstances, consistently applied and adequately disclosed.

We obtained all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error. In forming our opinion we also evaluated the overall adequacy of the presentation of information in the financial statements.

The financial statements were prepared from the bank statements and cash book. We did not have any more information to base the accounts on. There is a cash book kept but even with this it is very difficult to ensure that all cash is accounted for. This is the nature of cash in any business.

Qualified opinion arising from a limitation of scope

With the exception of the above, in our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the company's affairs as at 28th November 2025 and of its surplus/deficit for the year end; and
- In respect solely of the limitation on our work relating to the above limitation of scope, we have not obtained all the information and explanations that we considered necessary for the purposes of audit; and unable to determine whether proper accounting records had been maintained.

Matters on which we are required to report by exception

We have nothing to report in respect of the provisions in the Companies Acts 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

In our opinion the information given in the **Directors** report is consistent with the financial statements.
