**IRS Property Rental Holdings Limited**  
**Directors' Responsibilities Statement**  
for the financial year ended 30 June 2019

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law the directors have elected to prepare the financial statements in accordance with the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard, issued by the Financial Reporting Council. Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies for the company financial statements and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be readily and properly audited. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included on the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **Independent Auditor's Special Report to the Directors of IRS Property Rental Holdings Limited pursuant to section 356(1) and 356(2) of the Companies Act 2014**

### **We have examined :**

- (i) the abridged financial statements for the financial year ended 30 June 2019 on pages 8 to 12 which the directors of IRS Property Rental Holdings Limited propose to annex to the annual return of the company; and
- (ii) the financial statements to be laid before the Annual General Meeting, which form the basis for those abridged financial statements.

### **Respective responsibilities of directors and auditors**

It is your responsibility to prepare abridged financial statements which comply with section 352 of the Companies Act 2014. It is our responsibility to form an independent opinion that the directors are entitled under section 352 of the Companies Act 2014 to annex abridged financial statements to the annual return of the company and that those abridged financial statements have been properly prepared pursuant to sections 352 and 353 of that Act and to report our opinion to you.

This report is made solely to the company's directors, as a body, in accordance with section 356(2) of the Companies Act 2014. Our work has been undertaken so that we might state to the directors those matters we are required to state to them in our report under section 356(2) of the Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the directors for our work, for this report, or for the opinions we have formed.

### **Basis of opinion**

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the company is entitled to annex abridged financial statements to the annual return of the company and that the abridged financial statements are properly prepared. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the full financial statements.

### **Opinion**

In our opinion the directors are entitled under section 352 of the Companies Act 2014 to annex to the annual return of the company the abridged financial statements and those abridged financial statements have been properly prepared pursuant to the provisions of section 353 of that Act (exemptions available to small companies).

### **Other Information**

On Date: 26/03/2026 we reported as auditors of IRS Property Rental Holdings Limited to the members on the company's financial statements for the financial year ended 30 June 2019 to be laid before its Annual General Meeting and our report was as follows:

### **"Report on the audit of the financial statements"**

#### **Opinion**

We have audited the financial statements of IRS Property Rental Holdings Limited ('the company') for the financial year ended 30 June 2019 which comprise the Profit and Loss Account, the Balance Sheet and notes to the financial statements, including the summary of significant accounting policies set out in note 2. The financial reporting framework that has been applied in their preparation is Irish Law and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard.

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 30 June 2019 and of its profit for the financial year then ended;
- have been properly prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland", applying Section 1A of that Standard; and
- have been properly prepared in accordance with the requirements of the Companies Act 2014.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of financial statements in Ireland, including the Ethical Standard for Auditors (Ireland) issued by the Irish Auditing and Accounting Supervisory Authority (IAASA), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Independent Auditor's Special Report to the Directors of IRS Property Rental Holdings Limited pursuant to section 356(1) and 356(2) of the Companies Act 2014**

### **Conclusions relating to going concern**

We have nothing to report in respect of the following matters in relation to which ISAs (Ireland) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

### **Other Information**

The directors are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2014**

In our opinion, based solely on the work undertaken in the course of the audit, we report that:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with the Companies Act 2014.

We have obtained all the information and explanations which, to the best of our knowledge and belief, are necessary for the purposes of our audit.

In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited. In our opinion the financial statements are in agreement with the accounting records.

### **Matters on which we are required to report by exception**

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

The Companies Act 2014 requires us to report to you if, in our opinion, the requirements of any of sections 305 to 312 of the Act, which relate to disclosures of directors' remuneration and transactions are not complied with by the Company. We have nothing to report in this regard.

### **Respective responsibilities**

#### **Responsibilities of directors for the financial statements**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements in accordance with the applicable financial reporting framework that give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, if applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operation, or has no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**The purpose of our audit work and to whom we owe our responsibilities**

Our report is made solely to the company's members, as a body, in accordance with section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume any responsibility to anyone other than the company and the company's members, as a body, for our audit work, for this report, or for the opinions we have formed."

**IRS Property Rental Holdings Limited**  
**Notes to the Abridged Financial Statements**  
for the financial year ended 30 June 2019

**1. General Information**

The financial statements comprising the Profit and Loss Account, the Balance Sheet and the related notes constitute the individual financial statements of IRS Property Rental Holdings Limited for the financial year ended 30 June 2019.

IRS Property Rental Holdings Limited is a private company limited by shares registered under Part 2 of the Companies Act 2014 and incorporated in the Republic of Ireland. The registered number of the company is 528204. Lartigue Road, Ballybunion, Co. Kerry is the registered office, which is also the principal place of business of the company. The principal activity of the company is that of an investment property holding company.

There has been no significant change in this activity during the financial year ended 30 June 2019. The financial statements have been presented in Euro (€) which is also the functional currency of the company.

**2. Summary of Significant Accounting Policies**

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

**Statement of compliance**

The financial statements of the company for the year ended 30 June 2019 have been prepared in accordance with the provisions of FRS 102 Section 1A (Small Entities) and the Companies Act 2014.

**Basis of preparation**

The financial statements have been prepared on the going concern basis and in accordance with the historical cost convention except for certain properties and financial instruments that are measured at revalued amounts or fair values, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for assets. The financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" Section 1A, issued by the Financial Reporting Council.

The company qualifies as a small company as defined by section 280A of the Companies Act 2014 in respect of the financial year, and has applied the rules of the 'Small Companies Regime' in accordance with section 280C of the Companies Act 2014 and Section 1A of FRS 102.

**Turnover**

Turnover comprises the total rents receivable during the year.

**Retained earnings**

The directors have decided to disclose the changes in retained earnings in the Profit and Loss Account.

**Share capital of the company**

The ordinary share capital of the company is presented as equity.

**Investment properties**

Investment property is held for capital appreciation and to own rental income and is not for sale in the ordinary course of business. Investment property is initially measured at cost, which includes purchase cost and directly attributable expenditure. Investment property is subsequently measured at fair value at each reporting date by the directors based on their knowledge of the local area in which the property is situated. The difference between fair value at the reporting date and its carrying value prior to the reporting date is recognised in the Profit and Loss Account.

**Trade and other debtors**

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

**Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and in hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the Balance Sheet bank overdrafts are shown within Creditors.

**Borrowing costs**

Borrowing costs relating to the acquisition of assets are capitalised at the appropriate rate by adding them to the cost of assets being acquired. Investment income earned on the temporary investment of specific borrowings pending their expenditure on the assets is deducted from the borrowing costs eligible for capitalisation. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

**Trade and other creditors**

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

**Taxation**

The yearly charge for taxation is based on the profit for the year and is calculated with reference to the tax rates applying at the balance date. Deferred taxation is calculated on the differences between the company's taxable profits and the results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements. Full provision for deferred tax assets and liabilities is provided at current tax rates on differences that arise between the recognition of gains and losses in the financial statements and their recognition in the tax computation. Deferred tax assets are recognised to the extent that they are recoverable, that is, on the basis of all available evidence, it is more likely than not that there will be suitable tax profits from which the future reversal of the underlying timing differences can be deducted. Any assets and liabilities recognised have not been discounted.

**Foreign currencies**

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the Balance Sheet date. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated at the rates of exchange ruling at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. The resulting exchange differences are dealt with in the Profit and Loss Account.

**3. Significant accounting judgements and key sources of estimation uncertainty**

The directors consider the accounting estimates and assumptions below to be the company's critical accounting estimates and judgements:

**Going concern**

The directors have reviewed the financial position of the company for a period of at least twelve months from the date of the approval of the financial statements and are satisfied that with the support of Daniel Casanovas, which available, there is no material uncertainty regarding the company's ability to meet its liabilities as they fall due, and to continue as a going concern. On this basis the directors consider it appropriate to prepare the financial statements on a going concern basis. Accordingly, these financial statements do not include any adjustments to the carrying amounts and classification of assets and liabilities that may arise if the company was unable to continue as a going concern.

**Fair value of investment property**

The value of investment property is reviewed annually by the directors and changes in fair value are recorded in the profit and loss account. In determining the fair value of investment property the directors consider a number of factors but primarily professional valuations obtained and recent transactions in the market in respect of similar properties.
