Bankers:	Bank of Ireland Church Street Athlone

Directors' Responsibilities Statement

The director is responsible for preparing the Directors Report and the financial statements in accordance with applicable Irish law and regulations.

Irish company law requires the director to prepare financial statements for each financial year. Under the law, the director has elected to prepare the financial statements in accordance with the Companies Act 2014 and accounting standards issued by the Financial Reporting Council, including FRS 102 The Financial Reporting Standard applicable in the UK and Ireland (Generally Accepted Accounting Practice in Ireland). Under company law, the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the assets, liabilities and financial position of the company as at the financial year end date and of the profit or loss of the company for the financial year and otherwise comply with the Companies Act 2014. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure that the financial statements and directors report comply with the Companies Act 2014 and enable the financial statements to be audited. He is also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I, as director of Beaujest Ltd state that;

- the company is availing itself of the exemption provided for by chapter 15 of part 6 of the Companies Act 2014,
- the company is availing itself of the exemption on the grounds that the conditions specified in section 358 are satisfied,
- the shareholders of the company have not served a notice on the company under section 334(1) in accordance with section 334(2) of the Companies Act 2014,
- I acknowledge the company's obligations under the Companies Act 2014, to keep adequate accounting records and prepare Financial Statements which give a true and fair view of the assets, liabilities and financial position of the company at the end of its financial year and of its profit or loss for such a year and to otherwise comply with the provisions of the Companies Act 2014 relating to Financial Statements so far as they are applicable to the company,
- the company has relied on the specified exemption contained in section 352 of the Companies Act 2014; has done so on the grounds that the company is entitled to the benefits of that exemption as a small company and the Abridged Financial Statements have been properly prepared in accordance with section 353 of the Companies Act 2014.

Approved by the Director and authorised for issue on 29 Jan 2026, signed on his behalf by:

Valentine Beaumont
Director

The notes on pages 3 to 7 form part of this Balance Sheet

**Notes to the Abridged Financial Statements
Year Ended 30 June 2025**

1 Accounting Policies

The significant accounting policies adopted by the company and applied consistently are as follows;

a) Compliance with Accounting Standards

The financial statements are prepared on the going concern basis, under the historical cost convention, and comply with the financial reporting standards of the Financial Reporting Council, including FRS 102 as adapted by Section 1A small entities - "The Financial Reporting Standard applicable in the UK and the Republic of Ireland" ("FRS 102"), and the Companies Act 2014.

b) Currency

The financial statements are prepared in Euro which is the functional currency of the company.

c) Income Recognition

Income is recognised to the extent that the company obtains the right to consideration in exchange for its performance. Income comprises the fair value of consideration received and receivable exclusive of value added tax and after discounts and rebates.

d) Tangible Fixed Assets

Tangible fixed assets are recorded at historical cost. Cost includes prime cost, overheads and interest incurred in financing the construction of fixed assets. Capitalisation of interest ceases when the asset is brought into use.

The company undertakes a review for impairment of a fixed asset if events or changes in circumstances indicate that the carrying amount of the fixed asset may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Depreciation is calculated on a straight line basis, in order to write off the cost of tangible fixed assets less residual amounts over their estimated useful lives as follows;

Buildings	2.00%
Fixtures, Fittings & Equipment	12.50%
Motor Vehicles	20.00%

e) Stocks

Stocks comprise consumable items and items held for resale. Stocks are stated at the lower of cost and net realisable value. Cost is calculated on a first in, first out basis and includes invoice price, import duties and transportation costs. Net realisable value comprises the actual or estimated selling price less all further costs to completion or to be incurred in marketing, selling & distribution. In the case of finished goods and work in progress, cost is defined as the aggregate cost of raw materials, direct labour and attributable portion of direct production overheads.

At the end of each reporting period stocks are assessed for impairment. If an item of stock is impaired, the inventory is reduced to its selling price less its cost to complete and sell and an impairment charge is recognised in the profit & loss account. Where a reversal of the impairment is recognised, the impairment charge is reversed, up to the original impairment loss, and is recognised as a credit in the profit & loss account.

f) Value Added Tax

Turnover, Cost of Sales and expenses are shown net of Value Added Tax.

g) Pension Contributions

The company does not currently operate any pension scheme for director's and employee's.

Notes to the Abridged Financial Statements
Year Ended 30 June 2025

h) Leasing & Hire Purchase Commitments

Assets obtained under hire purchase contracts and finance leases are capitalised as tangible fixed assets and depreciated over their useful lives. Obligations under such agreements are included in creditors net of the finance charge allocated to future periods. Finance charges are written of the profit & loss account over the term of the agreement.

i) Trade & Other Debtors

Trade and other receivables including amounts owed to group companies are recognised initially at transaction price (including transaction costs) unless a financing arrangement exists in which case they are measured at the present value of the future receipts discounted at a market rate. Subsequently these are measured at the amortised cost less any provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the company will not be able to collect all the amounts due according to the original terms of receivables. The amount of the provision is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the effective interest rate. All movements in the level of provision required are recognised in the profit & loss account.

j) Cash At Bank & In Hand

Cash at bank and in hand includes cash on hand, demand deposits and other short term highly liquid investments regardless of maturity. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

k) Trade & Other Creditors

Creditors and accruals are classified as current liabilities if payment is due within one year or less. If not they are presented as non-current liabilities. Trade payables are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

As permitted by the amendment to FRS 102 Section 11 for small entities by the Financial Reporting Council on 8th May 2017, amounts due to directors and shareholders of the entity are stated initially at the transaction price and subsequently at transaction price less repayments. The amortised cost model is not used.

l) Cashflow Statement

The company has availed of the exemption contained in Section 1A of FRS 102 and as a result have elected not to prepare a cash flow statement.

m) Taxation

The charge for taxation is based on the profits for the year and is calculated with reference to the tax rates applying at the balance sheet date.

Deferred taxation is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the balance sheet date. Provision is made at the rates expected to apply when the timing differences reverse. Timing differences are differences between taxable profits and the results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those, which they are recognised in the financial statements.

A net deferred tax assets is regarded as recoverable and therefore recognised only when, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Notes to the Abridged Financial Statements
Year Ended 30 June 2025

n) **Government Grants**

Grants are recognised when there is reasonable assurance that the grant will be received and all attaching conditions have been complied with. Government grants received in relation to expenditure on Property, Plant & Equipment are treated as deferred income and credited to the profit & loss account by instalments over the expected useful economic life of the related assets on a basis consistent with the companies depreciation policy. Grants received in support of overheads are written off to the profit & loss account in the period they are received and matched with the related expenditure.

'2 **Operating Profit/(Loss)**

The Operating Profit/(Loss) before taxation is stated after charging:

	2025	2024
	€	€
