Statement of Directors' responsibilities

For the period ended 31st December 2025

The director is responsible for preparing the Annual Report and the financial statements in accordance with applicable Irish law and Generally Accepted Accounting Practices in Ireland including the accounting standards issued by the Accounting Standards Board.

Irish Company Law requires the director to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that year. Under that law the directors have elected to prepare the financial statements in accordance with Irish Accepted Accounting Practice.

In preparing these financial statements the director is required to:

- Select suitable accounting policies and apply them consistently;
- Make judgments and estimates that are reasonable and prudent;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director confirms that they have complied with the above requirements in preparing the financial statements.

The director is responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure the financial statements are prepared in accordance with accounting standards generally accepted in Ireland and with Irish statute comprising the Companies Act 2014 and all Regulations to be construed as one with that Act. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Accounting Policies

For the period ended 31 December 2025

Basis of preparation

The financial statements have been prepared on the going concern basis and in accordance with accounting standards generally accepted in Ireland and Irish statute comprising the Companies Act 2014. They comply with the financial reporting standards of the Accounting Standards Board. The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the company's financial statements.

Cash flow statement

The company has availed of the exemption in FRS 1 from the requirement to produce a cash flow statement because it is classed as a small company.

Turnover

Turnover comprises the invoice value of goods supplied by the company, exclusive of trade discounts and value added tax.

Intangible fixed assets

Intangible assets are stated at cost or at valuation.

Taxation

Current tax represents the amount expected to be paid or recovered in respect of taxable profits for the year and is calculated using the tax rates and laws that have been enacted or substantially enacted at the balance sheet date.

Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated at the rates of exchange ruling at the balance sheet date. Transactions during the year, which are denominated in foreign currencies are translated at the rates of exchange ruling at the date of the transaction. The resulting exchange differences are dealt with in the profit and loss account.
