Statement of directors' responsibilities and declaration on unaudited financial statements:

### General Responsibilities:

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and Generally Accepted Accounting Practice in Ireland, including the accounting standards issued by the Accounting Standards Board.

Company law requires the directors to prepare financial statements for each financial period which give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently
- make judgment and estimates that are reasonable and prudent
- prepare the financial statements in the going concern basis unless it is inappropriate to presume that the company will continue business

The directors are responsible for keeping proper books of account that disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2014. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors are responsible for the maintenance and integrity of the corporate and financial information included in the company's website. Legislation in Ireland governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### Directors' declaration on unaudited financial statements

In relation to the financial statements as set out

- (a) the directors approve these financial statements and confirm that they are responsible for them, including selecting the appropriate accounting policies, applying them consistently and making, on a reasonable and prudent basis, the judgments underlying them. They have been prepared on the going concern basis on the grounds that the company will continue in business.
- (b) the directors confirm that to the best of their knowledge and belief, the accounting records reflect all the transactions of the company for the year ending 31/08/2025
