## **HQ DEVELOPMENTS ESTATE COMPANY LIMITED**

### **DIRECTORS' REPORT**

---

The directors present their annual report and the audited financial statements for HQ Developments Estate Company Limited (the "Company") for the financial year ended 31 December 2024.

#### **PRINCIPAL ACTIVITIES**

The Company is engaged in the trade of developing and selling fully developed land. The directors are satisfied that the Company is in a position to take advantage of any potentially beneficial developments that may occur in the future.

#### **BUSINESS REVIEW AND RESULTS**

Turnover for the financial year amounted to €42,125 (2023: €23,259). The Company had a result after taxation totalling €Nil (2023: €Nil).

The net current asset position of the Company as at the financial year end amounted to €100 (2023: net current asset €100).

The net asset position of the Company as at the financial year end amounted to €100 (2023: net asset €100).

#### **DIVIDENDS**

No dividend was paid for the current financial year (2023: €Nil).

#### **FUTURE DEVELOPMENTS**

There are no plans to materially change the Company's activities in the future.

#### **PRINCIPAL RISKS AND UNCERTAINTIES**

The main risk facing the company is the economic environment which could impact on the market value of its investment property portfolios. Rising inflation rates and ongoing geopolitical conflicts mean that there is an increased risk in relation to the financial and investment sectors in Ireland. These events could have a negative impact in the future if the broader economy suffers from a recession. The directors believe the company is well placed to deal with this risk and uncertainty and has proved adaptable to date in dealing with these. To protect against consequential difficulties which may arise from this, the directors have increased the level of financial monitoring and control procedures applied in the management process. Furthermore, the directors have made every effort to ensure that all properties are let on long leases to high quality tenants.

#### **DIRECTORS**

The directors, who served during the financial year and to the date of this report except as noted, were as follows:

- J. Barry
- A. Henderson
- J. Leonard
- G. McLellan
- D. O'Sullivan

#### **SECRETARY**

The secretary, who served during the financial year and to the date of this report except as noted, was as follows:

- G. McLellan

#### **DIRECTORS' AND SECRETARY'S INTERESTS IN SHARES AND DEBENTURES**

The directors and secretary of the Company who held office at 31 December 2024 had no beneficial interest in the shares of the Company at 31 December 2024 or at 01 January 2024.

#### **GOING CONCERN**

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Thus they continue to adopt the going concern basis in preparing the annual financial statements. Further details regarding the adoption of the going concern basis can be found in note 1 to the financial statements.

**HQ DEVELOPMENTS ESTATE COMPANY LIMITED**

**DIRECTORS' REPORT (CONTINUED)**

---

**EVENTS AFTER THE BALANCE SHEET DATE**

Details of significant events since the balance sheet date are contained in the note 6 to the financial statements.

**ACCOUNTING RECORDS**

The measures that the directors have taken to secure compliance with the requirements of sections 281 to 285 of the Companies Act 2014 with regard to the keeping of accounting records, are the employment of appropriately qualified accounting personnel and the maintenance of computerised accounting systems. The Company's accounting records are maintained at the Company's registered office at Courthouse Chambers, 27 - 29 Washington Street, Cork, Ireland.

**DIRECTORS' STATEMENT OF RELEVANT AUDIT INFORMATION**

So far as each of the directors in office at the date of approval of the financial statements are aware:

- a) There is no relevant audit information of which the Company's auditors are unaware; and
- b) The directors have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of Section 330 of the Companies Act 2014 (as amended).

**AUDITORS**

The auditors, Deloitte Ireland LLP, continue in office in accordance with Section 383(2) of the Companies Act 2014.

Approved by the Board of Directors and signed on its behalf by:

*Tony Leonard*

J. Leonard  
Director

**HQ DEVELOPMENTS ESTATE COMPANY LIMITED**  
**DIRECTORS' RESPONSIBILITIES STATEMENT**

---

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with the Companies Act 2014.

Irish company law requires the directors to prepare financial statements for each financial year. Under the law, the directors have elected to prepare the financial statements in accordance with FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland issued by the Financial Reporting Council ("relevant financial reporting framework"). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the assets, liabilities and financial position of the Company as at the financial year end date and of the profit or loss of the Company for the financial year and otherwise comply with the Companies Act 2014.

In preparing these financial statements, the directors are required to:

- Select suitable accounting policies for the Company financial statements and then apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether the financial statements have been prepared in accordance with the applicable accounting standards, identify those standards, and note the effect and the reasons for any material departure from those standards; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for ensuring that the Company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the Company, enable at any time the assets, liabilities, financial position and profit or loss of the Company to be determined with reasonable accuracy, enable them to ensure that the financial statements and Directors' Report comply with the Companies Act 2014 and enable the financial statements to be audited.

They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Board of Directors and signed on its behalf by:

*Tony Leonard*

J. Leonard  
Director

Date: 12-Dec-25

## **INDEPENDENT AUDITOR'S SPECIAL REPORT TO THE DIRECTORS OF HQ DEVELOPMENTS ESTATE COMPANY LIMITED PURSUANT TO SECTION 356 OF THE COMPANIES ACT 2014**

We have examined:

- i. The abridged financial statements for the financial year ended 31 December 2024 on pages 10 to 14 which the directors of HQ Developments Estate Company Limited propose to annex to the annual return of the company; and
- ii. the financial statements to be laid before the Annual General Meeting, which form the basis for those abridged financial statements.

### **Respective responsibilities of directors and auditors**

It is your responsibility to prepare abridged financial statements which comply with the Companies Act 2014. It is our responsibility to form an independent opinion as to whether the directors are entitled under section 352 of the Companies Act 2014 to annex abridged financial statements to the annual return of the company and that those abridged financial statements have been properly prepared pursuant to section 353 of the Companies Act 2014 and to report our opinion to you.

This report is made solely to the company's directors as a body, in accordance with Section 356 of the Companies Act 2014. Our work has been undertaken so that we might state to the company's directors those matters we are required to state to them under section 356 of the Companies Act 2014 and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's directors as a body, for our work, for this report, or for the opinion we have formed.

### **Basis of opinion**

We have carried out the procedures we consider necessary to confirm, by reference to the financial statements, that the directors of the company are entitled to annex abridged financial statements to the annual return of the company and that the abridged financial statements have been properly prepared. The scope of our work for the purpose of this report does not include examining or dealing with events after the date of our report on the statutory financial statements prepared pursuant to section 290 of the Companies Act 2014.

### **Opinion**

In our opinion the directors are entitled to rely on the exemption contained in section 352 of the Companies Act 2014 to annex to the annual return of the company abridged financial statements and those abridged financial statements have been properly prepared pursuant to the provisions of section 353 of the Companies Act 2014.

### **Other Information**

On 19 January 2026 we reported, as auditors, to the members of HQ Developments Estate Company Limited, on the company's financial statements for the financial year ended 31 December 2024 to be laid before its Annual General Meeting as required under section 391 in the form required by section 336 of the Companies Act 2014 and our report is presented overleaf.

**Signing of the Special Report of the statutory auditors:**

John Kelly  
For and on behalf of Deloitte Ireland LLP  
Chartered Accountants and Statutory Audit Firm  
No. 6 Lapp's Quay, Cork

19 January 2026

**INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF  
HQ DEVELOPMENTS ESTATE COMPANY LIMITED**

**Report on the audit of the financial statements**

**Opinion on the financial statements of HQ Developments Estate Company Limited ("the company")**

In our opinion the financial statements:

- give a true and fair view of the assets, liabilities and financial position of the company as at 31 December 2024 and of the result for the financial year then ended; and
- have been properly prepared in accordance with the relevant financial reporting framework and, in particular, with the requirements of the Companies Act 2014.

The financial statements we have audited comprise:

- the Profit and Loss Account;
- the Balance Sheet;
- the Statement of Changes in Equity; and
- the related notes 1 to 11, including a summary of significant accounting policies as set out in note 1.

The relevant financial reporting framework that has been applied in their preparation is the Companies Act 2014 and FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' issued by the Financial Reporting Council ("the relevant financial reporting framework").

**Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (Ireland) (ISAs (Ireland)) and applicable law. Our responsibilities under those standards are described below in the "Auditor's responsibilities for the audit of the financial statements" section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in Ireland, including the Ethical Standard issued by the Irish Auditing and Accounting Supervisory Authority, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

*Continued on next page/*

*/Continued from previous page*

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the Reports and Financial Statements, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the Reports and Financial Statements. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Responsibilities of directors**

As explained more fully in the Directors' Responsibilities Statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view and otherwise comply with the Companies Act 2014, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (Ireland) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on IAASA's website at: <https://iaasa.ie/publications/description-of-the-auditors-responsibilities-for-the-audit-of-the-financial-statements>. This description forms part of our auditor's report.

### **Report on other legal and regulatory requirements**

#### **Opinion on other matters prescribed by the Companies Act 2014**

Based solely on the work undertaken in the course of the audit, we report that:

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion the accounting records of the company were sufficient to permit the financial statements to be readily and properly audited.
- The financial statements are in agreement with the accounting records.
- In our opinion the information given in the directors' report is consistent with the financial statements.
- In our opinion, those parts of the directors' report specified for our review, which does not include sustainability reporting

*Continued on next page/*

*/Continued from previous page*

when required by Part 28 of the Companies Act 2014, have been prepared in accordance with the Companies Act 2014.

**Matters on which we are required to report by exception**

Based on the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the provisions in the Companies Act 2014 which require us to report to you if, in our opinion, the disclosures of directors' remuneration and transactions specified by law are not made.

**Use of our report**

This report is made solely to the company's members, as a body, in accordance with Section 391 of the Companies Act 2014. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

**HQ DEVELOPMENTS ESTATE COMPANY LIMITED**  
**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS**  
**FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024**

---

**1. Accounting policies**

The principal accounting policies are summarised below. The accounting policies and measurement bases have all been applied consistently throughout the financial year and to the preceding financial year.

**General information and basis of accounting**

HQ Developments Estate Company Limited (registered number 637477) is a company, limited by shares, registered in Ireland under the Companies Act 2014. The address of the registered office is Courthouse Chambers, 27 - 29 Washington Street, Cork, Ireland. The nature of the Company's operations and its principal activities are set out in the Directors' Report.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value, and comply with the financial reporting standards of the Financial Reporting Council including FRS102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Companies Act 2014.

The functional currency of HQ Developments Estate Company Limited is considered to be EUR because that is the currency of the primary economic environment in which the Company operates.

These financial statements are separate financial statements.

**Going concern**

HQ Developments Limited ("HQ Developments") its immediate parent company of the Company, which is jointly owned by Clarendon Properties (Holdings) Unlimited Company and BAM Contractors Limited (the "JV Partners"). HQ Developments is funded by contributions from the joint venture partners. The Directors have received confirmation from BAM Contractors Limited that they will provide the necessary financial support to enable the HQ Developments to meet its liabilities both present and future as and when they fall due to the extent that the funds are otherwise not available to meet such liabilities. Therefore, the Directors of the Company are satisfied that there is sufficient liquidity available to fund the operations of the Company within the foreseeable future. The Directors prepared a detailed cash flow forecast in order to assess the Company's ability to continue as a going concern for at least a period of twelve months from the signing of these financial statements. The preparation of this forecast considered the impact of inflation on the Company's financial performance and position over the forecast period including but not limited to the impact on selling prices, development costs and strategies. While acknowledging the uncertainty that remains with regard to the exact impact of inflation on construction activity in the Company's cash flow forecast, the Directors confirm considering the support of BAM Contractors Limited, they believe the Company has the appropriate working capital management strategy, and resources in place to continue in operational existence for the foreseeable future. Based on this, the directors consider it appropriate to continue to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would arise if the Company was unable to continue as a going concern.

**Turnover**

Turnover is stated net of VAT and comprises of service fee income. Turnover is recognised on an accruals basis.

**Taxation**

Current tax, including Irish corporation tax and foreign tax, is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the Balance Sheet date where transactions or events that result in an obligation to pay more tax in the future or a right to pay less tax in the future have occurred at the Balance Sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains and losses in tax assessments in periods different from those in which they are recognised in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

When the amount that can be deducted for tax for an asset that is recognised in a business combination is less (more) than the value at which it is recognised, a deferred tax liability (asset) is recognised for the additional tax that will be paid (avoided) in respect of that difference. Similarly, a deferred tax asset (liability) is recognised for the additional tax that will be avoided (paid) because of a difference between the value at which a liability is recognised and the amount that will be assessed for tax.

**HQ DEVELOPMENTS ESTATE COMPANY LIMITED****NOTES TO THE ABRIDGED FINANCIAL STATEMENTS (CONTINUED)  
FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024**

---

Deferred tax liabilities are recognised for timing differences arising from investments in subsidiaries and associates, except where the Company is able to control the reversal of the timing difference and it is probable that it will not reverse in the foreseeable future.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the Balance Sheet date that are expected to apply to the reversal of the timing difference. Deferred tax relating to property, plant and equipment is measured using the revaluation model and investment property is measured using the tax rates and allowances that apply to the sale of the asset.

Where items recognised in the Statement of Comprehensive Income or equity are chargeable to or deductible for tax purposes, the resulting current or deferred tax expense or income is presented in the same component of comprehensive income or equity as the transaction or other event that resulted in the tax expense or income.

Current tax assets and liabilities are offset only when there is a legally enforceable right to set off the amounts and the Company intends either to settle on a net basis or to realise the asset and settle the liability simultaneously. Deferred tax assets and liabilities are offset only if: a) the Company has a legally enforceable right to set off current tax assets against current tax liabilities; and b) the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same taxation authority on the Company and the Company intends either to settle current tax liabilities and assets on a net basis, or to realise the assets and settle the liabilities simultaneously, in each future period in which significant amounts of deferred tax liabilities or assets are expected to be settled or recovered.

**Trade and other debtors**

Trade and other debtors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest method less impairment losses for bad and doubtful debts, except where the effect of discounting would be immaterial. In such cases the receivables are stated at cost less impairment losses for bad and doubtful debts.

**Trade and other creditors**

Trade and other creditors are initially recognised at fair value and thereafter stated at amortised cost using the effective interest rate method, unless the effect of discounting would be immaterial, in which case they are stated at cost.

**Financial instruments**

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities.

Financial assets and liabilities are only offset in the Balance Sheet when, and only when there exists a legally enforceable right to set off the recognised amounts and the Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

**2. Critical accounting judgements and key sources of estimation uncertainty**

In the application of the Company's accounting policies, which are described in note 1, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the financial year in which the estimate is revised if the revision affects only that financial year, or in the financial year of the revision and future financial years if the revision affects both current and future financial years.

**Critical judgements in applying the Company's accounting policies**

The directors do not consider that any critical judgements have been made in the application of the Company's accounting policies and no key sources of estimation uncertainty have been identified that have a significant risk of causing a material misstatement to the carrying amount of assets and liabilities within the financial year.

**HQ DEVELOPMENTS ESTATE COMPANY LIMITED**  
**NOTES TO THE ABRIDGED FINANCIAL STATEMENTS (CONTINUED)**  
**FOR THE FINANCIAL YEAR ENDED 31 DECEMBER 2024**

**Key source of estimation uncertainty**

There are no key sources of estimation uncertainty in the process of applying the Company's accounting policies that have a significant effect on the amounts recognised in the financial statements.

**3. Operating result and result on ordinary activities before taxation**
