- State whether the financial statements have been prepared in accordance with applicable accounting standards, identify those standards and note the effect and the reasons for any material departure from those standards.
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for ensuring that the company keeps or causes to be kept adequate accounting records which correctly explain and record the transactions of the company, enable at any time the assets, liabilities, financial position and profit or loss of the company to be determined with reasonable accuracy, enable them to ensure the financial statements and directors report comply with the Companies Act 2014 and enable them to ensure that the financial statements to be audited. They are also responsible for safeguarding the assets of the company and hence for taking steps for the prevention and detection of fraud and other irregularities.
